FOR THE FANS.

FRIDAY'S GAME.

The locals were bunched out of Friday's game by one Jordan, the indicator man. Jordan has a fine knowledge of the game, but his good Friday was about the punkest ever seen here. The decision that broke the camel's back was a punt in the last inning that went foul by several inches, but which Mr. Jordan had the nerve to declare was fair. Temple pitched winning ball up to the sixth inning when a pile of errors seemed to dishearten him. Two runs for the Game Cocks were the result of these misplays, followed by two more in the next inning on clean hitting. In the ninth with the bases full Biel came to the rescue, but one run was scored as the result of the punt decision already alluded to. Temple's timely two-bagger, and catches by Blanton, Caldwell, Jones, Brown, and Wynne were his features. Score: R H E Chester. 0040000—4 9 1 Sumter. 00200—5 10 0

PARADES. Temple, Biel and Hancock; Cowell and Stephens. Umpire, Jordan. SATURDAY'S GAME.

Chester made it two out of three Saturday afternoon by taking the final game with the Game Cocks, the score being 5 to 0. Averett was in the box for Chester and pitched superb ball. His support was almost perfect. Dingie's men were never dangerous. Waters, who used to be a terror to local batters, tried once more to down Chester, but his raised foot wouldn't work. He was hammered almost at will, while Sumter could do nothing with Averett. Hammond and Blanton did some timely batting, and the whole local team played snappy ball. Score: R H E Chester. 000 101 300—0—5 11 Sumter. 000 000—0—5 11

Batteries: Averett and Hancock; Waters and Stephens. Umpire Jordan.

The following account of yesterday's game was taken from The State.

Chester, July 20.—Chester did the baby act by leaving the field after the game to Sumter, 9 to 0. It was an 11-inning contest. Trym, for Chester, led off with a triple and scored on Hammond's sacrifice to center. Long hit safe in Sumter's half of the 11th, advanced on Dingie's sacrifice and scored on a home by Winn. Winn took second on the bad throw and Chester led the field.

Batteries: Sumter, Long and Stephens; Chester, Thackston and Hancock. Umpires, Jordan and McKnight.

Orangeburg blanked the Indians yesterday in a pretty game. The feature of the game was the stop of a long drive in center field by Robertson.

Sumter is only a few points ahead now. The next two games will put us ahead and to stay.

Caldwell has a good reason for not having called his men off the field.

Chester has an up-hill fight for the pennant. Sumter has been improved the two best players for Rock Hill, and Moran, Orangeburg's crack first baseman. But with all these the hope have to help them.

Buddy James, the hard hitting fielder, Asper, the catcher, and Brown, third base, have been bought from Rock Hill and will be in line against Chester today. All are hard hitters and should help out in the hard fight that the Gamecocks are going to make for the pennant.—Sumter Times.

Here is how the boys are batting and fielding, the figures given below including all games to date except the three games played in Orangeburg June 18, 19 and 20.

A Killing At Great Falls.
Coroner Leckie was called to Great Falls Saturday afternoon to hold an inquest over the body of Jack Nesbit, colored, who was shot and killed Saturday by Mr. J. M. Smarr, special officer for the Southern Power Co. The coroner's jury returned a verdict that the deceased came to his death from a gunshot wound at the hands of J. M. Smarr while in the actual discharge of his duty and that said killing was justifiable.

It seems that Nesbit had been giving considerable trouble around Great Falls and had been forced to leave the community. He came back, however, and was arrested by Mr. Smarr, the shooting occurring while the latter was on his way back to Great Falls with his prisoner.

Mr. Smarr came to the city Saturday evening and surrendered to the sheriff. Messrs. S. E. McFadden and A. L. Gaston have been retained for the defense.

Three Fires in Rock Hill.

An hour later Mr. Arnold Friedel's house was found to be on fire, communicated from cooking stove. The upper part of the house was burned. Loss estimated at \$11,000. Insurance \$2,000. A little later, Mr. Edward Garrison's house was found to be on fire, but it was soon extinguished.

The literary critics who have referred to a certain new novel as "the choicest edition of the summer" evidently haven't taken the trouble to read it. It is a masterpiece of fiction. The author is a woman. The title is "The Summer of the Swallows". It is a masterpiece of fiction. The author is a woman. The title is "The Summer of the Swallows".

This report was made up June 30th. There was due from the dispensary \$402.00, one-half of which goes to the county and school fund each, and which has since been paid, but it could not be included in the report. This makes the actual cash in hand for school purposes a little more than \$40,000.

Treasurer W. O. Guy says that, when he went into office the county was running her schools on a credit basis, having only a few hundred dollars to start with and borrowing money for practically all the year's school expenses. Now she has the money in hand already to pay cash for everything. As we understand it, however, this statement includes only the general county school fund and not money raised by special tax in special districts.

Chesler sign our school fund report, but what it ought to be, there is satisfaction in the fact that we can pay promptly what we promise, and we know just what we are justified in promising.

It is highly necessary to say that the supervisor, auditor, treasurer and superintendent of education are gratified at the showing they can make to the comptroller general, as at the good condition of Chesler county.

Gen. Bell. The manoeuvres at Camp Tolt have been in progress during the past week. The troops have been divided into two armies, the blue and the brown. One is under command of Brig. Gen. Clifford E. Anderson of Georgia, while Col. D. Corman of the Seventh Infantry commands the other.
